- AQF certification documentation issued by another RTO or AQF authorised issuing Wise Workplace Training such as a university
- Authenticated VET transcripts issued by the Registrar.

This policy and procedure complies with Clause 3.5 of the Standards.

This policy also outlines our partnership with KPS and Associates for the purposes of assessing and delivering qualifications via Recognition of Prior Learning.

Policy

1. Application for Credit

- All students will be offered the opportunity to apply for credit for previously completed studies. Students can apply for Credit by completing a *Credit Application Form* and providing relevant supporting documents, including certified copies of transcripts. This may include VET transcripts or extracts issued by the Student Identifiers Registrar.
- All evidence provided as part of an application for Credit will be authenticated by Wise Workplace Training by contacting the issuing Wise Workplace Training to confirm the details provided on the document are valid. In the case of transcripts issued by the USI Registrar, documents will be authenticated through the USI Registry System.
- Wise Workplace Training will not require any student to repeat any unit or module which they have already been assessed as Competent unless there is a license condition or regulatory requirement that requires this.

2. Assessing Credit

- Where a student provides authenticated evidence of units or modules issued by another RTO or authorised issuing Wise Workplace Training, Wise Workplace Training will provide Credit for that unit or module where it is a unit listed in the student's course of enrolment with Wise Workplace Training.
- Where evidence has been provided of previous study being completed at another RTO, university or other authorised issuing Wise Workplace Training, but the unit or module is not listed in the student's course of enrolment with Wise Workplace Training, an analysis as to the equivalence of the study completed with the units in the student's enrolment with Wise Workplace Training will be undertaken.

3. Credit application outcomes

- Students will be advised of the outcome of their Credit application in writing.
- Where there are significant Credits granted, this may result in a reduction of the Course fees which will be advised at the same time.
- The result of Credit Transfer will be recorded for any relevant units on the student management system.
- Students may appeal the decisions made about their Credit application by following *Wise Workplace Training's Complaints and Appeals Policy and Procedure*.

4. Application, assessment and outcomes for Recognition of Prior Learning

<p>A. Applications for Credit</p> <ul style="list-style-type: none"> Students will be offered the opportunity to apply for Credit as part of the enrolment process. To apply for credit, a student should fill in the <i>Credit Application Form</i> and supply certified copies of their relevant transcripts. Applications that do not include certified documents should be returned to the student, unless originals of the copies can be verified by an RTO staff member. 	<p>Administration Support Officer</p>
<p>B. Review Credit application</p> <ul style="list-style-type: none"> Transcripts should be reviewed for their authenticity. Consider: <ul style="list-style-type: none"> Does the transcript include the expected information on an AQF Certification document such as name of institution, code, full name of student, name and codes of units completed? Has the copy been certified? Are the units/modules previously studied relevant to the student's current enrolment? If not, the Credit Application does not need to be progressed further and the student can be advised that they were not granted any Credits. Where units are relevant, contact the issuing institutions to confirm the authenticity of the transcripts. Where there is a direct unit match by code and title, a Credit can be issued. Where previously completed studies are deemed equivalent by the Training Package to a unit in the student's enrolment (refer to Training Package), a Credit can also be granted for those relevant units. Where previously completed studies are relevant/ similar to a unit in the student's enrolment, the content of the completed units/modules must be analysed to identify whether the outcomes are equivalent to any units/modules in the student's course. This may be assessed by reviewing the content of the unit/module which may be accessed through the university or the student may be asked to provide further information if required. Where equivalent outcomes are identified, a Credit can be issued. The 	<p>Training Manager/ Trainer/Assessor</p>
