Purpose

The purpose of this policy and procedure is to outline Wise Workplace Training's approach to ensuring students are provided with credit for units of competency and/or modules where they are evidenced by:

- AQF certification documentation issued by another RTO or AQF authorised issuing Wise Workplace Training such as a university
- Authenticated VET transcripts issued by the Registrar.

This policy and procedure complies with Clause 3.5 of the Standards.

This policy also outlines our partnership with KPS and Associates for the purposes of assessing and delivering qualifications via Recognition of Prior Learning.

Statement of Attainment confirms that one or more nationally recognised units or modules has been achieved by an individual but is only used where there has been partial completion of a qualification or VET accredited course

Testamur is an official certification document that confirms that an AQF qualification has been awarded to an individual. This may be called an 'award', 'qualification' 'parchment', or 'certificate'

Policy

1. Applications for Credit or RPL

- All students have the opportunity to apply for recognition of prior learning (RPL) or Credit Transfer, evidenced by existing qualifications, work experience, life experience or other education. Students will be supported and encouraged throughout the process.
- All evidence provided as part of an application will be authenticated by Wise Workplace Training by contacting the issuing provider or workplace to confirm the details provided on the document are valid. In the case of transcripts issued by the USI Registrar, documents will be authenticated through the USI Registry System.
- Wise Workplace Training will not require any student to repeat any unit or module which they have already been assessed as Competent unless there is a license condition or regulatory requirement that requires this.

2. Assessing Applications

- Where a student provides authenticated evidence of units or modules issued by another RTO or authorised issuing Wise Workplace Training, Wise Workplace Training will provide Credit for that unit or module where it is a unit listed in the student's course of enrolment with Wise Workplace Training.
- Where evidence has been provided of previous study being completed at another RTO, university or other authorised issuing Wise Workplace Training, but the unit or module is not listed in the student's course of enrolment with Wise Workplace Training, an analysis as to the equivalence of the study completed with the units in the student's enrolment with Wise Workplace Training will be undertaken.
- If the training package has determined the unit of competency to be superseded equivalent, then no mapping or analysis is required and the student may be granted the unit.
- When assessing evidence which is not a previous qualification, reviewers will ensure the evidence is properly understood and interpreted (through consultation with the student), and will take thorough notes of the analysis of evidence against unit's performance, knowledge and other criteria.

3. Application outcomes

- Students will be advised of the progress and outcome of their applications in writing.
- Where there are significant Credits or RPL units granted, this may result in a reduction of the Course fees which will be advised at the same time.
- The result of Credit Transfer or RPL Application will be recorded for any relevant units on the student management system.

Procedure

Pr	ocedure	Responsibility			
Α.	Applications for Credit and/or RPL	Administration			
•	Students will be offered the opportunity to apply for Credit and/or RPL as part of the enrolment process.	Support Officer			
•	To apply for credit, a student should fill in the <i>Credit Application Form</i> and supply certified copies of their relevant supporting documents, including certified copies of transcripts. This may include VET transcripts or extracts issued by the Student Identifiers Registrar.				
•	To apply for RPL, a student will be provided with a list of recommended documents to submit.				
•	Initial applications do not require certified copies, but any qualifications will need to be externally verified before credit or RPL can be awarded.				
в.	Review application (both RPL and Credit)	Training Manager/			
•	Transcripts and other documentation should be reviewed for their authenticity. Consider:	Trainer/Assessor			
	- Does the transcript or document include the expected information?				
	 Has the copy been certified, or can it be verified with the provider / workplace / etc? 				
Credit					
•	Are the units/modules previously studied relevant to the student's current enrolment? If not, the Application does not need to be progressed further and the student can be advised that they were not granted any Credits.				
•	Where there is a direct unit match by code and title, a Credit can be issued. Where previously completed studies are deemed equivalent by the Training Package to a unit in the student's enrolment (refer to Training Package), a Credit can also be granted for those relevant units.				
•	Where previously completed studies are relevant/ similar to a unit in the student's enrolment, the content of the completed units/modules must be analysed to identify whether the outcomes are equivalent to any units/modules in the student's course. This may be assessed by reviewing the content of the unit/module which may be accessed through the university or the student may be asked to provide further information if required.

Pre	ocedure	Responsibility
•	Where equivalent outcomes are identified, a Credit can be issued. The reason for the Credits issued should be documented on the Credit Application.	
RF	<u>^L</u>	
•	The student's initial documentation will be ordered and labelled. Each evidence will be reviewed for relevance to each unit content & requirements. The reviewer will prepare and note their decisions about relevance on an RPL Assessment Form.	
•	For any gaps in unit requirements not met by the initial evidence, the reviewer may request additional evidence, conduct an interview, assign an assessment task, or any other step which meets the missing requirement(s).	
•	Where / if a student demonstrates sufficient practical competency, using multiple valid, current, authentic forms of evidence across dimensions of competency and all unit criteria, RPL may be awarded for that unit.	
•	This process should be an ongoing conversation between reviewer and student, with transparency and effective communication at all times.	
C.	Assess impact on fees	Training Manager
•	Where 3 or more Credits or RPL units have been granted, thus reducing the amount of training and assessment to be provided, review the cost of the remaining units and work out if total course fees can be reduced (where applicable).	Trainer/Assessor
D.	Notify student of outcome	Training Manager
•	Once outcome has been determined, notify the student of the outcome of their application in writing.	Trainer/Assessor
•	Where an application has been altogether rejected or has resulted in no Credits or RPL being issued, provide an explanation to the student as to the reasons for the outcome.	
E.	Record the Credits granted	Training Manager
•	Keep records of all documents used in the assessment of an Application in the student's file.	Trainer/Assessor
•	Record the result against the relevant units in the student management system.
